# Membership Pledge Form

Gatewave relies on the generous support of our listeners, their families and their friends to help keep us on the air.

Your gift enables people with disabilities to access current printed news and information. Your gift also provides SCA or Internet radio receivers. Many of the people we serve have visual impairments that prevent reading; others have difficulty holding or turning print pages.

Regardless of their disability, your gift means we can offer services and equipment at no cost to those individuals whose income prevent them from contributing to our yearly membership fees.

To help support Gatewave, my donation is a gift of:

☐ $18 per month ($216.00 / year)

☐ $25 per month if Internet Radio Requested ($300.00 / year)

☐ Quarterly gift of $60 ($240.00 / year)

☐ Quarterly gift of $88 if Internet Radio Requested ($352.00 / year)

☐ Bi-Yearly gift of $200.00 ($400.00 / year)

☐ Monthly Sustaining Contribution of $_____

☐ One-time donation $_____

☐ If you'd like your gift to be sustaining with automatic annual renewal, please check here. Gatewave's Sustaining Members give us a dependable base of support. And they help save time, banking fees and paper, as we don't need to send renewal notices in the mail.

Your donation is billed to your credit card each month and your membership is automatically renewed each year. Once a year we will send you a record of your giving history for tax purposes and give you an opportunity to update your pledge amount or the way you choose to pay it. Of course, you can change or cancel your payments at anytime or request a thank you gift.

Peak Management Solutions provides administrative support for Gatewave. Credit card charges will appear from Peak Management Solutions.

All information supplied is for Gatewave's administrative use only and will not be shared, distributed, sold or otherwise used.

Occasionally Gatewave will utilize email to communicate with our generous benefactors to provide them with news and other useful information. If you do not wish to use email for this purpose, please check here ☐.

You may also make a secure donation to Gatewave on-line at www.gatewave.org.

✦✦ The Card Security Code is an additional security measure to ensure the safety and integrity of your transaction. The use of this code helps prevent fraudulent credit card usage by requiring the user to physically have the credit card that they are using in their possession at the time of use. For Visa & Mastercard, please note the 3 digits that are printed on the back of your card; for American Express, please note the 4 digits on front of the card.
